SUBJECT:— Praying that Rs 3000 may be deposited in the Government Treasury at 5% interest on behalf of a temple in the Hoskote Taluk for the Charitable institution.

LAST REFERENCE.

Petition No. 878 dated 1st December 1903 from Ranganna, wife of deceased Venkata Rao, a Sub Deputy Inspector of Schools, Hassan.

The petitioner states that her deceased husband Venkatarow, formerly a Sub-Deputy Inspector of Schools, built at his own cost a temple at Hosakote dedicating the same to Sri Kodanda rama deva, Sri Anjaneyaswami and the Brindavana of Sri Raghavendraswamipalaru, that the puja service etc was being conducted during her husband's life-time by himself and that since his death (9 months back) it is conducted under her directions. She further states that she, being

is unable to manage the affairs herself and has no male member to depute to look after it. She prays that Rs 3000 the has at her disposal for the services in the temple may be allowed to be deposited in the Govt Treasury on behalf of the above temple at 5% interest as the same amount, when deposited in the Savings, will fetch only Rs 105 × which will not be adequate to meet the expenses of the services in the temple.

× [at 3½% but it is only 3 1/8% + Cess, & Rs 93-12-0

2. Rules regarding the deposit of moneys at 5% interest by private individuals, in Govt Treasuries, on behalf of charitable institutions, were issued in August 1892.

3. It was directed in March 1895 that no new deposits would be received by Govt under the above rule, during the minority of His Highness the Maharaja Krishnaraya Wodayar Bahadur.

Deputy Secretary's remarks:—

The application now received should, I think, be accepted, not only in view of the religious nature of the grant but also because, in case the government hesitates in doing so, the amount which is in the hands of a helpless woman may be misappropriated by intermediaries.

The difficulty, however, is that the system of accepting money deposits at 5 per cent interest for religious, Charitable or Educational purposes, has been kept in abeyance under Govt. Pro: Comp No. 16-24 dated 14th March 1895 A resuscitation of the system of accepting deposits at 5 per cent was humbly recommended by me in November 1902 in an Office Note on another case, and the state of the case was fully explained therein Orders were passed by the Dewan to re-submit the question after the lapse of a year that period having now elapsed, the point is submitted for favourable consideration

Title put up A

As the consideration of the general question will probably take some time, the present petitioner

Rangiamma, may, it is submitted, be informed that the question of accepting money deposits for religious or charitable purposes at 5 per cent interest is under the consideration of Govt., but that in the meanwhile, the amount offered by her may be placed at once in the Savings Bank in the name of the Taluk Amildar. She may then submit to Govt. a list of the expenditure which she proposes to be incurred for the maintenance of the temple which will be carried out by Govt.
